DANCING FOX WINERY & BREWERY

The Dancing Fox started as a winery many years ago. Since then, the Lewis Family has continued to develop it into many other things including a restaurant, brewery & distillery. With 20 taps mixed with their own beers and others from across the nation, they offer a wide assortment of the finest brews around. The Fox is currently brewing about 10 different beer styles: English, Australian, American and German. They are also expecting a new brewhouse, a 15 barrel BrauKon, from Germany to be delivered soon for greater production capacity.
